

2013 CIVIL AVIATION FORUM

“REVIVING AND SERVICING OF RURAL AIRSTRIPS AND AIR SERVICES FOR RURAL DEVELOPMENT”

Date: Thursday 7th – 8th March, 2013

Time: 8:30am-5:00 pm

Venue: Highlander Hotel, Mt.Hagen, WHP

The Forum will focus on the following main strategic areas of the Civil Aviation Sector:

1. Civil Aviation Sector Policies, Regulations and Laws;
2. Ownership and Responsibility of airports and air services including accidents under current regulatory arrangements (aviation standards, safety and insurance);
3. Financing arrangements for the Civil Aviation Sector;
4. Maintaining an inventory of airports and airstrips as well as pilots and engineers;
5. Sustainable and recurrent funding for rural airstrips;
6. Experiences of provincial governments, challenges of airlines operators and domestic training for pilots and engineers; and
7. Recommendations and the way forward for the Civil Aviation Sector

We encourage government, private sector and civil society to attend and participate at this important forum.
